Aase Haugen Assisted Living Open House planned for July 16

New packages and better pricing highlight the event

Aase Haugen Assisted Living will host an Open House on Tuesday, July 16 from 1 to 4 p.m. to highlight their new apartment packages and better pricing for senior living. “We proactively anticipate ways to improve our organization and those we serve, and we want to respond to the needs of our community with exceptional care that inspires and exceeds expectations,” says Orson Bauder, new Aase Haugen administrator. “The new packages and pricing we offer will make assisted living more affordable for seniors in our community.”

Assisted Living apartments at Aase Haugen are designed to meet the unique needs of seniors who value independence in a peaceful environment, but also want companionship, security, and the availability of 24-hour assistance if needed. “Aase Haugen Assisted Living provides varying degrees of professional help with daily activities, which may have become a little challenging for some seniors,” says Bauder. “Our kind and friendly Aase Haugen staff can help residents with a wide range of needs, such as bathing, medications, dressing, and more.”

Each apartment offers an open floor plan designed for optimal convenience. The efficiency and one-bedroom apartments include a kitchenette and generously sized bathrooms. There are also several common areas, including; a reading nook, a Nu-Step exercise area, a lounge with a mini-kitchen highlighted by a full wall of windows to a garden, a private dining room, outdoor shaded and flowering patios, and more.

Assisted living tenants can participate in the activities offered throughout Aase Haugen, such as weekly church services and communion, bingo, live music, happy hours, crafts, birthday parties and more. For a spouse living in the nursing facility, it’s just a short indoor walk for visits and sharing meals. And for the convenience of off-campus guests, the assisted living area has its own entrances.

Respite care services are also available with fully-furnished efficiency-sized apartments for a short-term stay. This can be a perfect choice when someone’s physician advises that they can’t go home alone to recuperate after surgery or injury, or if a caregiver needs additional help caring for a loved while away on vacation or to other obligations.

Aase Haugen Senior Services is an all-embracing, all-inclusive senior living organization, providing a continuing care retirement community in a Christian environment, which nurtures the body, mind and soul, leading to healing and hope for all.

Dorothy Halverson (left) and Mildred Jacobsen enjoyed a little shopping trip with the Aase Haugen Assisted living crew. Dorothy says, "I love assisted living, it's peaceful and secure and it's just right to fit my needs." Mildred adds, "My neighbors become my family and I have been very pleased living here." Lu Pavlovec (not pictured) says, "It's like being on vacation because they clean, cook and wash the clothes and we keep busy with activities and no worries." Aase Haugen Assisted Living has announced new packages and better pricing on all apartments and will host a public open house on Tuesday, July 16 from 1 to 4 pm, with tours, door prizes and refreshments.
